[Nursing Poster Repository Instructions](#)

What is it?

- **Centralized digital space** for Duke nurses to showcase and access poster presentations from state, regional, and national conferences
- **Voluntary archive** starting with posters presented in January 2025
- Tool to **preserve and share** Duke nursing scholarly works

Why use it?

- **Enhance scholarly accessibility** within the Duke University Health System
- **Promote knowledge sharing and collaboration** among colleagues
- **Easily upload and immediately publish** your poster presentations
